Employees are valuable. What are you doing to protect them?

Managing and keeping a workforce healthy can be hard work, but it doesn't have to be.

Outsourc'd Consulting specializes in Benefits and Total Rewards and has highly experienced and industry respected insurance professionals dedicated to helping you understand, manage, and maintain the health and well-being of your employees, and their families.

Providing healthcare benefits to your employees offers several advantages. We help our clients minimize financial pitfalls by focusing on protecting employees and their families with competitive health coverage, custom designed wellness and incentive programs and education to reduce economic hardship. A healthy workforce is a happy workforce. Let us find the best benefits solutions to keep your costs down and employees working.

About Outsourc'd Consulting

Outsourc'd Consulting Inc. is a certified Woman Owned Small Business (WOSB) that provides Staffing, Consulting, Benefits Administration, IT/Security Solutions and Training to public, private, and educational organizations. Our industry experience, values, and ethics stem from over 50 years of combined experience working for the U.S. Drug Enforcement Administration, Centers for Disease Control, healthcare, insurance, financial services, technology, and educational organizations throughout the United States.

We have obtained sustained growth by providing clients with a delivery environment that allows our clients to tap into a wealth of accumulated knowledge, experience, and collateral on key transformation deliverables.

We recognize that every business has its own DNA and we work with our clients to ensure their culture and capability are sufficiently considered when placing new team members in a company.
